2018

2022 EVERGREEN
CHARDONNAY

100% Chardonnay. Crafted from Evergreen Vineyard in the Ancient Lakes AVA of the Columbia Valley. Evergreen is a sustainably farmed high-elevation vineyard with varied soil types, which contribute complexity to the wine. It was harvested early in the mornings of October 17th, 2022. Upon arrival at the winery, the Chardonnay was pressed and fermented in a combination of concrete egg and new French oak barrels. After seven months of aging, this wine was bottled in August of 2024.

“The aromas lead with notes of baked apple followed by musk, and wilted flower. The palate is on the lighter side of medium-bodied, straight down the fairway Chardonnay.”

Sean Sullivan, Northwest Wine Report
