## 2014 Reserve Claret

The Matthews Reserve Claret is simply the best blend we can produce and truest embodiment of our very specific style and philosophy. This is a big, cab-driven, Bordeaux-style wine with lots of fruit, lots of ripeness, lots of texture, but also a lot of restraint. When we brought the reserve back into our portfolio in 2010, our goal was not to make the most concentrated cab blend, but to make the most balanced, most complex, most seamlessly integrated wine that we could—the kind of wine that inspired us. If the Claret is what you reach for when you're looking for incredible value in an everyday wine, the Reserve is what you break out for special occasions.

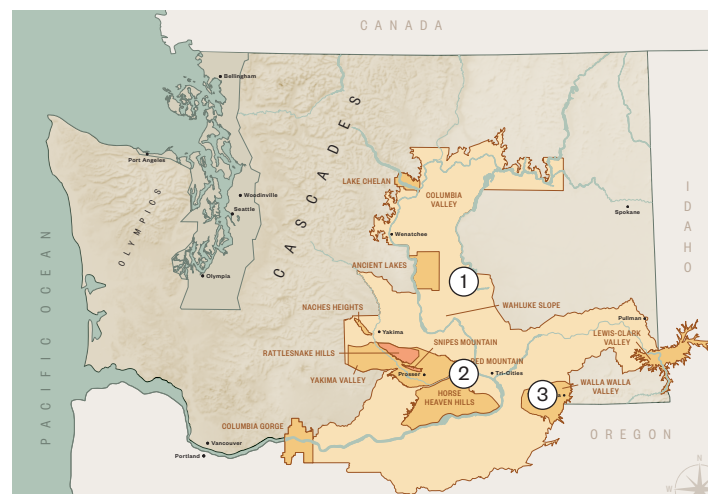

The reserve doesn't come from special vineyards or blocks, it's simply the most select juice from the same vineyards that have become the backbone of the Matthews program. This is the essence of our winery, exceptional fruit, from iconic sites, blended to showcase the world class wine that Washington can produce.

*"A step up over the straight Claret release, the 2014 Reserve Claret (68% Cabernet Sauvignon, 28% Merlot and 4% Cabernet Franc) has more finesse and elegance, with lots of blackcurrants, plum, licorice, toasted spice and graphite aromas and flavors. Rich, full-bodied, fresh and elegant, with terrific purity and length, it's going to keep for 15+ years."*
