

Matthews

2020 RED MOUNTAIN CUVÉE

The 2020 Matthews Red Mountain Cuvée comes from a couple of vineyards, Hedges and Red Mountain within the Red Mountain AVA. After hand-harvesting in the early fall mornings, the fruit was hand-sorted and fermented using both stainless-steel tanks and French oak barrels (8%). The free-run juice was cellared in French oak (63% new) for 20 months. Only 27 barrels were ultimately selected to be blended, and finally bottled in July 2022, resulting in only 671 cases.

"The 2020 Matthews 'Red Mountain Cuvée' Red Wine is a Merlot dominant blend (69%) with 19% Cabernet Franc, 7% Malbec and 6% Cabernet Sauvignon. This shows good concentration with chocolate covered black cherry flavors alongside wet rock, huckleberry compote, and shades of menthol with copious minerals on the palate. Really good now, enjoy over the next ten years."
